

Warm Greetings and a Happy New Year ...

It's not too late to make a 2010 charitable donation to American Songbook Preservation Society.

Your money is good here!

http://greatamericansongbook.org/make_a_donation.htm

Your generous donation will make a difference in keeping American's Classical Music in front of the public for the next 100 years and beyond.

We have a great opportunity to collaborate in the coming year with the Michael Feinstein Foundation and do some truly wonderful things on behalf of the Great American Songbook.

Thank you for your support!
